Introducing

***The
Discovery
Series***

What is Discovery?

Sunday School. Sermon. Bible Study Group. Sure, you're involved in church, but sometimes it's hard to put together all the

puzzle pieces of faith in a coherent way.

The Discovery Series is designed to

ground you in the key truths of the Christian faith — in a way that's systematic, stimulating, and sensible. Discovery pulls together all the pieces of the puzzle to lay a solid foundation for your relationship with Christ, your role in the church, and your witness to the world.

It's all about discipleship — learning to know and follow Christ the best way possible.

How does it work?

Discovery is a curriculum based on a set of four books. Each book contains twelve issues dealing with key aspects of Christian life and knowledge.

In each issue, you'll have the opportunity to interact with Scripture and other resources in a personal way. Discovery challenges you to take your knowledge and apply it in a specific area of your life.

Where does it happen?

We need each other, and one of the best features of Discovery is that it is designed to be used in a small group setting. You'll join 8 to 10 others who are interested in deepening their faith, and they'll be there to encourage you every step of the way.

No boring lectures, either. Each group is led by a facilitator who gets things going, and the real learning takes place through interaction. Each week, you'll work through the issue on your own, and then have the opportunity to

share your thoughts and hear from others in the group. Besides being a good study, it's a great way to get to know others in the church family.

How do I get involved?

New Discovery groups usually form for the Fall and the Winter sessions—September and February. Watch for announcements regarding how to sign up, or let Pastor Jay know of your interest. We'll be sure to plug you in!

The requirements are few—only that you be willing to put in a little time each week (an hour and a half max), and commit to being there for the other members of your group. Materials for one session are \$15.

You can sign on for one 12 week session at a time — but odds are, once you start, you'll want to continue. So take the plunge! New horizons await.
